# „Maßgeschneidert“ Ihr Farbwunsch in unseren Händen

“Made to Measure” – Your Choice  
of Color in Our Hands

Hier möchten wir Ihnen ein neues Symbol vorstellen,  
das Ihnen in der Preisliste öfter begegnen wird,  
die Schere ✂ – – .

Wir haben bei DOMUS viele Leuchten, für die wir in den  
letzten Jahren regelmäßig Sonderausführungen gefertigt  
haben. Diese bei uns gängige Praxis bieten wir jetzt auch  
als regulären Service in der Preisliste an. Typische Son-  
deranfertigungen im Standardbereich sind dabei z.B.  
Stoffschirme in einer bestimmten Farbe oder Filzleuch-  
ten in einer speziellen Wollfilzfarbkombination.

Auf diese Möglichkeit der individuellen Fertigung werden  
Sie jetzt mit dem neuen Scherensymbol aufmerksam ge-  
macht. Bei allen anderen Sonderwünschen sprechen Sie  
uns bitte direkt an. Unsere Experten aus den Bereich  
Lichttechnik, Innenarchitektur und Fertigung werden sich  
mit Engagement und Kompetenz um Ihr Anliegen  
kümmern.

We would like to introduce to you a new symbol, which  
you will come across here and there in this price list:  
the scissors ✂ – – .

Here at DOMUS, we have regularly produced special  
designs for many of our luminaires in recent years. We  
are now introducing this service as a standard practice in  
this price list. Typical custom-made products in the  
standard range include textile lampshades in a specific  
color or felt lights in a special wool felt color combi-  
nation.

The new scissors symbol will show up wherever we offer  
this individual production option. For all other special re-  
quests, please contact us directly. Our experts in the  
field of lighting technology, interior design and manu-  
facturing will attend to your request with commitment  
and competence.
